They delivered the papers, until they made the headlines! Newsies is a high-energy explosion of song and dance based on the popular 1992 film which became a hit Broadway musical in 2012. It features an incredible score by Alan Menken and is based on the thrilling true story of the Newsboy strike in 1899, when a bunch of rag tag orphans took on the mighty Joe Pulitzer and William Randolph Hearst, nearly bringing down the city of New York. The musical features many of the beloved songs from the movie while introducing eight new songs. **San Diego Regional Premiere production.**

From the Oscar-winning team of Alan Menken (Beauty and the Beast, Aladdin) and Stephen Schwartz (Wicked, Godspell) comes the lushly scored retelling of Victor Hugo's epic story of love, acceptance, and what it means to be a hero. The sweeping story follows deformed bell-ringer Quasimodo and his adventures during the annual revels of the Feast of Fools, where he is treated cruelly by all but the beautiful gypsy, Esmeralda. She alone sees the beauty beneath his exterior, and her kindness lays the foundation for a redeeming friendship that brings its own rewards. **Moonlight Premiere.**
